

MEMBER SPOTLIGHT....ROBIN GIBSON

Robin Gibson, CSP has been a member of ASSE. She has worked in the safety field too many years to count. She comes to us from Pittsburgh, PA where she graduated from Indiana University of Pennsylvania with a degree in Safety Sciences. Robin started her career working for Stone and Webster Engineering Corporation in Boston, MA. She worked in their construction department. Robin was sent to various national construct and build/maintenance union projects as Safety Supervisor and Environmental Scientist. She has worked on projects in Massachusetts, Maine, New Hampshire, Connecticut, Vermont, Tennessee and Louisiana. Robin was responsible for safety and training while on the various projects.

After Stone & Webster, Robin worked for Industrial Design Corporation as a Safety Coordinator on the General Electric Aircraft Engines contract in Lynn, MA where she was responsible for various safety programs and training. She then moved to New Jersey and went to work for NATLSCO Safety and Risk Services for Schering Plough Pharmaceuticals as Safety Specialist working to improve safety compliance within the facilities. Robin relocated back to the Northeast and dove into a DELICIOUS safety facilitator position at Good Humor Breyers Ice Cream in Framingham, MA. After the closure of the Framingham location, Robin landed a Safety Specialist position at Nypro, Inc. at the Clinton, MA location where she enjoys solving safety problems on a daily basis.
