Deb Campbell has been our Chapter/Section Newsletter Chair for a number of years. She has been responsible for formatting and editing the valuable content that goes out to you in our newsletters. At the end of June 2016, Deb has decided to pass on the torch of newsletter editor to others. On behalf of the Worcester County Chapter & Green Mountain Section of ASSE, the Executive Committee thanks Deb for all she has done, both with the Newsletter and contributions to our Chapter/Section.

In addition to Newsletter Editor, Deb's "real" job is as a Manager in the Environmental Health & Safety Department at UMass Medical School, where she has been since 1988. In addition to the staff she oversees, Deb also manages the ergonomics, respiratory protection, indoor air quality, accident & injury investigation, risk assessment and hazard surveillance rounding programs for both the UMass Medical School and UMass Memorial Medical Center.
